

A RECIPE FROM CARLA NEGGERS...

CREAM CHEESE FROSTING

Ingredients

8 oz. cream cheese, softened

4 tbsp butter

3 cups confectioner's sugar

1 1/2 tsp pure vanilla extract

Directions

Blend cream cheese and butter. Add confectioner's sugar in small amounts. Stir in vanilla. Frosting will likely be a bit thin but this is fine. Frost cake and refrigerate before serving.

(See separate recipe for carrot cake!)

Note from Carla: This recipe is a family favorite. With a young grandson with celiac, we enjoy this frosting with a spicy gluten-free cake.
